

It's spring time...

TIME TO SHINE

When was the last time you were pampered?

WHAT'S NEW?

This month Shine Beauty Maroochydore has added some wonderful new treatments to their menu.

These treatments are so new that the Shine Beauty Senior Management Team has been busy selecting products, planning and designing the new menu and training staff, to create the most impressive menu selection yet!

And did you know Shine Beauty also offers complete Spa treatments – so you don't have to drive for miles to indulge in a few hours of pure relaxation.

Spa Therapy is a new dimension, an oasis of peace for a stressful life, where an escape of indulgence will leave you in a state of utter bliss. Whether it's a one-hour spa treatment, or more, you'll walk out feeling on top of the world!

WHO ARE WE?

Leading the hugely successful Shine Beauty team and salon businesses are four incredibly talented

women – Tania Turner (the founder), Sharon D' Helon (our head trainer/salon coordinator), Rebecca McAuley (assistant trainer/salon coordinator) and Tanya Hunter (Beauty Development Manager)

This dynamic senior salon management team is a talented, friendly and professional group who epitomise the ethos of Shine Beauty.

Tania Turner and Tanya Hunter are based at the Caloundra head office and are responsible for treatment design, while Sharon D-Heldon and Rebecca McAuley are on the road and in all salons each and every week. Sharon and Rebecca travel between the four company owned salons each week (from the Gold Coast, to Brisbane and Maroochydore), meeting with the salon managers, monitoring performance and coaching. They even can take over a salon from a manager when they are away on holidays or off sick which ensures continuity and the highest possible level of professionalism in all stores at all times.

Did you know?

We take our product inspiration from the ocean. When you come to Shine Beauty for a treatment, we use Thalgo beauty products, which draw their richness and effectiveness from the marine universe. Algae form the base of premium marine care due to the immense active ingredient potential. For example, one alga contains a thousand times more iodine, one hundred times more calcium and ten times more magnesium and copper than an earthly plant.

HOT off the press

Every Shine Beauty salon in South-East Queensland, including the award-winning Maroochydore salon, is benefiting from an exciting new supplier arrangement with the internationally-acclaimed Thalgo.

This new ongoing supplier agreement has been nine months in the negotiating stage and is great news for Shine customers and also a big part in the company's future growth and business success.

From the company's head office in Bulcock St, Caloundra, Mr Turner said Shine Beauty was in the process of creating an incredible franchise opportunity that will initially focus on South-East Queensland and then expand around Australia. "We are expanding the Thalgo offering in all our salons and this successful new arrangement with Thalgo has put us in a very strong position to achieve an amazingly low fees/low royalties beauty salon franchise model with advanced product expertise and management support."

What does Tania use?

Personally, I get amazing results and love the Thalgo Absolute Hydration range, with Seve Marine.
