Gemology Active Mineral Facials

Precious Skin Solution Facials

Malachite Dry Skin (60mins) \$175

Hydrating. An alliance of nourishing Vitamin E and the anti-oxidant powers of Malachite, this treatment brings enhanced vitality and a surge of moisture to tired, dull, dry or dehydrated skin.

Amethyst Combination & Oily Skin (60mins) \$175

Purifying. The oil regulating actions of Ruby unite with the cleansing properties of Red Jasper to provide an energising treatment to reduce skin shine, clarify the complexion and tightens the pores.

Smithsonite Sensitive Skin (60mins) \$175

Calming. The synergy of moisturising hibiscus and soothing lapis lazuli bring an immediate comfort to the most sensitive skins enabling phytohormones, vitamins and trace elements to strengthen, protect and reduce redness.

White Pearl Brightening (60mins) \$175

Pigmentation. Thanks to the outstanding lightening powers of White Pearl and Vitamin C combined with energising Magnesium, this brightening cocktail visibly fades dark spots, enhances skin's radiance and evens out skin tone to reveal a fresher translucent complexion.

Diamond Anti-Ageing Facials

Diamond Gel (60mins) \$175

Intense hydration. This cooling Gel Mask enriched with 30 active ingredients delivers an incredible fresh sensation that redefines facial contours, dramatically boosts moisture levels and diminishes the signs of ageing.

Diamond Thermal (60mins) \$189

Firming and lifting. This remarkable self-heating and cooling Thermal Treatment combines the brilliance of Micro Diamond particles with regenerating rose and peony to unveil a firmer, younger looking skin that lasts.

Diamond and Pearl (60mins) \$189

Luminosity and radiance. Pearls and Diamonds combine to smooth and regenerate. In the blink of an eye the radiance boosting powers of pure Vitamin C and skin toning properties of Pearl unite to reveal a smoother, illuminated and radiant complexion.

Diamond Collagen (60mins) \$230

Scientifically proven wrinkle reduction. Perfect for mature and prematurely aged skin. 98% Pure Collagen embraces moisturising orchid and baobab to dramatically reduce the appearance of wrinkles and fine lines improving skin elasticity and firmness. Anti-ageing at it's best.

Skin Needling - Collagen Induction

Micro Needling is an advanced clinical treatment highly effective in treating premature ageing, sun damage, wrinkles, acne scars, pigmentation, open pores and un-even skin tone. This technique uses multiple microneedles to trigger the natural healing response in our skin generating new production of collagen and elastin to tone and smooth as well as creating micro pathways for active ingredients to penetrate deep within the skin layers to firm, lift and correct. No anaesthetic required. Minimal discomfort.
